## The DIMMER VIEW

by Max Goodwin

### There Are 'Sick' Americans

Considerable currency has been given the remarks of radio columnist Pat Michaels, of San Francisco station KGO, who delivered them recently at the Policemen-Firemen's Award Breakfast.

Speaking in the auditorium at the College of the Holy Name in Oakland, Michaels said what many newsmen wished he had said.

Reported by Joe House, Area Supervisor, Bureau of Narcotic Enforcement, California Department of Justice, Michaels told officers:

**I AM SICK . . . and there are those who claim that ours is a "sick" society. That our country is sick, our government is sick, the we are sick.**

Well, maybe they're right. I submit that maybe I am sick . . . and maybe you are too.

**I am sick of having policemen ridiculed and called "pigs" while cop killers are hailed as some kind of folk hero.**

**I am sick of being told that religion is the opiate of the people . . . but marijuana should be legalized.**

**I am sick of being told that pornography is the right of a free press . . . but freedom of the press does not include being able to read a bible on school grounds.**

**I am sick of commentators and columnists canonizing anarchists, revolutionists and criminal rapists but condemning law enforcement if it brings such criminals to justice.**

**I am sick of paying more taxes to build schools while I see some faculty members encouraging students to tear them down.**

**I am sick of Supreme Court decisions which turn criminals loose on society — while other decisions try to take the means of protecting my home and family away.**

**I am sick of being told policemen are mad dogs who should not have guns — but that criminals who use guns to rob, maim and murder should be understood and helped back into society.**

**I am sick of being told it is wrong to use napalm to end a war overseas . . . but if it's a bomb or molotov cocktail at home, I must understand the provocations.**

**I am sick of not being able to take my family to a movie unless I want them exposed to nudity, homosexuality and the glorification of narcotics.**

**I am sick of pot smoking entertainers deluging me with their condemnation of my moral standards on late night television.**

**I am sick of riots, marches, protests, demonstrations, confrontations, and the other mob temper tantrums of people intellectually incapable of working within the system.**

**I am sick of hearing the same phrases, the same slick slogans, the pat phrases of people who must chant the same things like zombies because they haven't the capacity for verbalizing thought.**

**I am sick of reading so-called modern literature with its kinship to what I used to read on the walls of public toilets.**

**I am sick of those who say I owe them this or that because of the sins of my forefathers — when I have looked down both ends of a gun barrel to defend their rights, their liberties and their families.**

**I am sick of cynical attitudes toward patriotism. I am sick of politicians with no backbones.**

**I am sick of permissiveness.**

**I am sick of the dirty, the foul mouthed, the unwashed. I am sick of the decline in personal honesty, personal integrity and human sincerity.**

**And most of all, I am sick of being told I'm sick. And I'm sick of being told my country is sick — when we have the greatest nation man has ever brought forth on the face of the earth. And fully 50 per cent of the people on the face of this earth would willingly trade places with the most deprived, the most underprivileged amongst us.**

**Yes, I may be sick. But if I am only sick, I can get well. And I can help my society get well. And, I can help my country get well.**

**Take note, you in high places. You will not find me under a placard. You will not see me take to the streets. You will not find me throwing a rock or a bomb. You will not find me ranting to wild eyed mobs.**

**But you will find me at work within my community. You will find me expressing my anger and indignation in letters to your political office.**

**You will find me canceling my subscription to your periodical the next time it condones criminal acts or advertises filth.**

**You will find me speaking out in support of those people and those institutions which contribute to the elevation of society and not its destruction. You will find me contributing my time and my personal influence to helping churches, hospitals, charities and those other volunteer backbones of America which have shown the true spirit of this country's determination to ease pain, eliminate hunger and generate brotherhood.**

**But, most of all, you'll find me at the polling place. There, you'll hear the thunder of the common man. There, you'll see us cast our vote . . . for an America where people can walk the streets without fear . . . for an America where our children will be educated and not indoctrinated . . . for an America of brotherhood and understanding . . . for an America no longer embarrassed to speak its motto "In God we trust."**

## 'Where's Henry Goldy?' He's Alive and Active

To answer the many who ask "What ever happened to Henry?", here is the answer: Henry — Henry Goldy — is the former operator of the famed Michael's Restaurant which for more than 12 years — the years Henry operated it — was one of Lemon

Grove's chief claims to fame. He left the restaurant business because of conditions of health. Then he recovered.

He later took over the Bronze Room in La Mesa and together with the Alladin Catering firm, he developed them into a multi-million dollar a year business which he then sold to Servomation.

He retired again only to surface as owner-operator of Pecan Park Mobile Home Estates nearing completion on Interstate 8 east of El Cajon near Lake Jennings. The 129 unit mobile home project representing \$3/4 millions will open in July. Involved in it with Goldy are area businessmen Bud and Pete McNeil and Glen Corey.

The deluxe park includes view lots, large clubhouse, full kitchen, saunas, showers, dressing rooms, billiard room and bbqy shop. It also boasts putting greens, fire rings, barbecues, shuffleboards, swimming pool, therapy pool, lounge, laundry and picnic areas, and in-park parking for visitors.

Goldy, active in Shrine work as Chief Rabban. He will be installed as Potentate in January.

## Pal's Cafe Sold To The Perrys

After 24 years in the same location, they've sold.

Ted and Estelle Fettes, owners-operators of Pal's Cafe announced this week that they're going to retire and "catch up on our fishing".

The Fettes sold to a corporation headed by James T. and James R. Perry, a father and son team which operates Perry Electrical Contractors, a Lemon Grove firm.

Perry said Tuesday that Pal's would continue to operate with the same management, same personnel and same "fine food" that made Pal's a favorite dining and drinking spot for many years.

The new owners take over June 1.

The Fettes have planned a "farewell party" for this week on Thursday. It will get under way shortly after the dinner hour, Mrs. Fettes said.

## Board OK's Routine Matters, Reviews Preliminary Budget

The Lemon Grove School District Board of Trustees met Monday night and approved several routine matters, discussed planned residential developments that would affect the district, and reviewed the preliminary budget for the 1971-72 school year.

A main portion of the meeting was spent discussing two proposed planned residential developments.

The first of the two developments considered at the meeting was the Imperial 80 development, formerly known as the Angelus Heights Subdivision.

Meeting Held Paul Reynolds reported to the board on a meeting held May 17 regarding the development. At the last meeting of the board, trustees voted to recommend a qualified approval of the project subject to an agreement that the developers guarantee fulfillment of requirements to supply temporary school facilities to youngsters in the PRD.

Reynolds told the board that a willingness to comply has been indicated by the developers, but that a more formal agreement has been suggested. Reynolds added that the district would know better how it stands after a meeting of the planning commission.

New Development The other PRD considered was a rezoning of a parcel of land lying between Mallard and San Miguel sts., which was recently annexed to the city of San Diego. Last week, the board received notice that a preliminary review has been scheduled for June 1 on a development of 199 units on the 17½-acre parcel.

James Dorman, who was recently elected as a trustee, but will not take his seat until July, said that it appeared the developers wanted the parcel annexed to the city so they could bypass the Lemon Grove Planning Association, and have a better chance of getting the project approved.

"Object To Procedure" Trustee Robert Sjogren agreed with Dorman and added that "we should object to the procedure . . . and fight it all the way."

The development is expected to bring 200 new students into the district if it is approved.

In discussing the preliminary budget, Paul Reynolds told the board that there have been some changes in sources of money for the budget.

Reynolds said that he had been in touch with Rep. Lionel Van Deerlin regarding Public Law 874 funds, which were recently cut back. Reynolds also noted an increase in insurance costs which may cause this year's tax rates to increase slightly.

Routine Matters Among routine matters considered were transportation of pupils and equipment to safety patrol summer camp, a centralized kitchen program, work study agreements, and the summer school program.

The board approved transportation of pupils and equipment to and from summer camp for members of the district's safety patrols. The district was asked to furnish a bus driver to remain at Camp

Cuyamaca under the CHP-sponsored camp.

This year's experimental centralization of cafeteria food service was called a success, so trustees voted to further the program. Under the program, all food preparation takes place at three locations, with other cafeterias in the district handling only the serving of the food. The program is used to economize the school lunch program.

Work Study

The district's work study agreement with Grossmont College was on the agenda, calling for increased funds from the local district.

Under the agreement, previously, the district paid 25% of the salaries for college students employed as teacher aides, and playground supervisors, with the remainder of the salaries federally funded. Next year, however, the district is asked to pay 40% of the salaries.

No Increase

Dr. Robert Sutton reported to the board that no increase in cost will come about from the change, but that students under the program will not be able to work as many hours.

The programs and personnel for summer school this year were approved by the board. Robert Sutton was named to supervise the program, with Harold Ball handling principal duties for elementary courses. James Justen will be principal of the junior high program, while Dan Heiserman serves in the same capacity for the pre-kindergarten program at Golden Avenue School.

## Blood Drive Scheduled

Grossmont College will hold its fourth blood drive of the year today. According to Charles Seymour, health officer, the San Diego County Blood Bank mobile unit will be on hand between the hours of 10 a.m. and 2 p.m., in the board room, to serve all blood donors.

"All blood given during the year's last blood drive will be held in the Grossmont College blood bank reserve for the use of Grossmont College students, faculty, and staff. This year whole blood from the Grossmont College reserve, has been used by a student hemophiliac and recently was given to a Grossmont College student stricken with leukemia," Seymour said.

"Several members of the Grossmont College community have given more than a quart of blood with a few vying to be the first to join the Gallon Club," he added.

## Learn Spanish the Easy Way

## Hardison's Telespanish

By JAMES HARDISON

City names using the Spanish prefix "San," "Santo" and "Santa" for "Saint" are very common in California.

San Diego, Santa Barbara, San Pedro, and San Francisco are good examples. How does one know which one of these three prefixes to use with a saint's name?

California does have many cities, especially along the coast with saint's names. They were given saint's names primarily by a Spanish cartographer, Sebastian Vizcaino. He charted this area for the king of Spain in 1602. Vizcaino carried with him a liturgical calendar. It reflected saint's names for each day of the year. When he arrived and charted a coastal area, he gave the place a name taken from the calendar for that day. On November 12, 1602, Vizcaino and his crew held religious ceremonies in the vicinity of a large bay with calm waters. Because the ceremony took place on the 12th of November, Feast of San Diego, the name Puerto Bueno de San Diego (The

Good Port of San Diego) was given to the area.

"San" for "Saint" is used with masculine names of saints as seen in San Carlos (Saint Charles) and "San Jose" (Saint Joseph). When the saint's name begins with "Do" or "To" as in Domingo and Tomas the "San" prefix is extended to "Santo." This is why we say "Santo Domingo" and "Santo Tomas" instead of "San Domingo" and "San Tomas."

"Santa" means "Saint" also but is used with feminine names of saints. Examples of his may be seen in "Santa Barbara" and "Santa Clara."

Practice phrases listed below have more examples of "San," "Santo," and "Santa" are used. You may wish to practice saying them with the aid of the phonetic guide provided or you may wish to practice saying them with the recorded voice that says them for you when you dial 276-2762 on your telephone.

## LETTERS

## Letter Raps Anti-War Movie at Mount Miguel

Dear Editor:

I protest, vehemently, Mrs. Helen Santangelo's irresponsible act of exposing students at Mount Miguel High School to an anti-American film and subjecting them to the "personal views" of individuals whose loyalty is probably questionable. I protest, not because my children are students there, although three have graduated and one will soon be enrolled there, but because I am an American. I protest because I am a taxpayer, contributing to the salary of this woman who has, by her actions, planted a seed of doubt regarding the integrity of this great country in the minds of impressionable young men and women.

In the May 20th edition of your newspaper, Mr. Melvin Grant, Principal of Mount Miguel High School, stated that Mrs. Santangelo presented the film as an example of propaganda. I doubt that Mr. Grant is so naive nor can I believe that he expects the public has the same naivety. If the motive for the presentation was as stated, it is necessary to include moderators, whose motives and credentials are in doubt, to present "personal views."

If even one of those young men or women, exposed to this anti-American propaganda as a member of Mrs. Santangelo's captive audience, joins the dissident faction that sees only what's wrong in America or desecrates the American flag or flaunts the banner of an enemy sworn to destroy this country or demonstrates to disrupt the orderly way of life or deliberately disobeys laws and advocates revolution, then the propaganda had done its job. And the Communists are one step closer to their goal of destroying America.

Instead of publicizing the alleged inhumanity of a few men in the service of their country, Mrs. Santangelo should spend some time in explaining to her students that Memorial Day, Veteran's Day and Armed Forces Day are celebrated to honor the millions who have served this country honorably and faithfully, giving their lives, when necessary, to guarantee the privilege of being an American and protecting the rights and freedoms we enjoy.

It is time that "what's right in America" is emphasized and our schools must be an instrument in instilling a pride in being an American. The principles and ideals of this country are high and they can only be held aloft if our youth learn they must shoulder the burden. We are exposed to enough propaganda about what's wrong with America in the public's exposure to freaks who sing the song of the Communist Party and advocate revolution. It is inexcusable to carry that cause into our public schools.

I am an American and a member of the military, sworn to protect Mrs. Santangelo's right, but I'll be damned if I will sit silently while she offers aid and comfort to any cause that speaks out against my country.

Dear Editor:

It seems to me that a teacher making \$12,691.00 a year on the average in the Grossmont High School District should not be in need of a raise.

Working with a 180 day work year at 8 hours a day gives the average teacher \$8.813 per hour. Working with a 180 day work year at 6 hours a day gives the average teacher \$11.73 plus per hour. Using the same \$12,691.00 per year the private industry hourly wage earner would receive \$6.058 plus per hour for his 260 day work year at 8 hours a day.

What our teachers may need is a course in how to manage personal finances so they could learn to budget their salary for twelve months.

Sincerely,  
Charles O. Barnett

Editor,

Regrettable and revolting is the decision given the Lemon Grove Community by the court in the "Naughty Spot" controversy. Everyone has freedom to display their nude forms in private life if they so desire but not the freedom to impose nudity as "Wares in the Market Place" under the guise of art, upon a community that objects to the contaminating influence.

Regardless of the abused art classification, the obvious underlying intent of public nude exposure is to appeal to, and stimulate, the lowest psychic level of the human mind by those who have nothing more to contribute than mental pollution.

Respectability and refinement is the backbone of man's moral evolution. When the standards established by enlightened character builders are constantly chiselled by the ability of a mercenary few, to manipulate legal terminology

to the point of reversing the intended concept — there is little hope for a sick world.

Dear Editor:

There were two major organizations taking part in the recent demonstrations in Washington, D.C. The real objective of the leadership of both of these organizations, the National Peace Action Coalition-NPAC and the People's Coalition for Peace and Justice-PCPJ-is not peace.

The Chairman of the House Committee on International Security, Honorable Richard H. Ichord, recently reported to Congress: "... both (NPAC and PCPJ) are known to be operating under substantial Communist influence..." The real objective of the demonstrations was, as stated by Mr. Ichord, "... the humiliation of the United States, the promotion of a Communist takeover in Southeast Asia, and the general advancement of world Communism."

## Sixth Graders Plan Stay At Cuyamaca

San Diego sixth-grade boys and girls will move from the city to the mountains to participate in the "outdoor education program," the week of May 31-June 4, according to Ed Pumala, City-County Camp Commission Director.

Students from Encanto, Spring Valley, Paradise Hills, Lake Murray, and Central San Diego will spend four and a half days in mountain camps at Marston, Cuyamaca, and Palomar Mountain.

Encanto will send about 100 students to Camp Cuyamaca from Valencia Park Elementary with accompanying teachers Russell Bullwinkle, Duncan MacDonald, and Stephen Spiller. They will share the camp with Spring Valley pupils from Rancho Elementary. Chaperones for the 103 Rancho students are sixth-grade teachers J. B. Johnson, Philip Liles, and Mrs. Mary Martin, and teacher's aide Bill Reed.

Each week a group of sixth-graders participates in the nationally acclaimed outdoor camp program. Campers are taught by specially trained teachers provided by participating school districts, according to Pumala.

They teach the children through the "discovery method" which allows the young people to explore such subjects as conservation, Indian history, astronomy, and geology.

The "classrooms-out-of-doors" serve more than 18,000 sixth-grade students each year.

lasted a home run, a double, and a single from the plate, while tossing a three-hitter. Palar faced only 22 batters and struck out 14 of them en route to his shutout.

In a rematch with Kiwanis, Steve Haney collected the win from the mound, fostering a six-hit, 10-2 win. The game

was spiced by a rare double play when Larry Ray, playing second base for Luigi's caught a line drive and flipped to Jeff Whitley at first for the twin killing.

Martinizing won two games, 7-2, and 6-5, over Jackson Supply, to bring its record to 6-2 and claim second place from Spring Valley Shopping Center. In the first game, Vernon Cramen tossed a no-hitter for Martinizing, but two errors spoiled his shutout. In the second contest, Jackson Supply got to Rickey Steward for nine hits but could cash in for only five runs. Martinizing belted only five hits but scored six runs for the win.

Spring Valley Shopping Center, down by a game and one half last week, split two games with Arnold & Co. to lapse into third place. Arnold pitcher Mike Spitz tossed a two-hitter for the win in the first game, and aided his own cause with a homer, a single, and a triple.

Mike Hansen added a three-run homer for Arnold to ice the win.

In the second game, it was Shopping Center getting revenge, 8-4, on Tony Ulrich's three-hitter.

In other major league action, it was Al's Electric taking a pair from Kelton Homes, 5-2, and 11-7.

In intermediate league action, Cecil's Hancock Service won two games, 6-5 over Oscar's Drive-In, and 14-2 over Colorama TV, to retain first place.

Mary Browne Realty kept pace in second place with a win over Colorama, 7-6, despite a homer by Colorama's Don Deise, and belted North Island Test Line, 6-4.

The standings now show Cecil's Hancock on top with a 7-0 mark, with Mary Browne a game and a half back with a 5-1-1 record.

In other intermediate action, it was North Island over Art's Lumber, 9-5, and Art's Lumber managed to beat Oscar's Drive-In, 8-6.

In the minor division, Colwell Insurance won two games to take a half-game lead in the standings. Colwell knocked off the USS Prairie Pirates, 6-4, and 11-5.

Spring Valley Post Office, last week's first place team, slipped into a tie for second after dropping a 5-4 decision to Tea Pot Inn. Post Office won the other game in the series, 22-3 over Tea Pot.

Bob's Window Cleaners kept pace with Colwell, knocking off the cellar-dwelling Jim Nicoll Racers, 14-8, and 16-0.

In the first game, Eric Franke hit a grand slam for Jim Nicoll in a losing cause. Highlights of the week included Franke's grand slam homer and Ken John's grand slam for Bob's Window Cleaners in the second game.

In the rookie division, Polar Frozen Foods and Foster Freeze continued with their struggle for first place, both winning a pair of games to bring their records to 5-1. Polar beat SV Boosters, 32-23, and SV Shopping Center, 10-9, while Foster's knocked off Stroh's Lomita Bowl, 22-16, and Boosters, 14-6.

In the only other game played, it was Shopping Center belting Stroh's, 18-10.

On the 23rd round, Osburn came up to challenge the Spring Valley leadfoot, but McIntyre used lapped cars effectively to stave off the challenger and collect the victory.

Points leader Hitt, of Lemon Grove, who started far back in the pack, managed to make his way to fifth when the checkered flag came down.

Open Competition Super stock cars will be joined by limited stockers this weekend in an open competition race Saturday night, possibly the last race to be held at the speedway, which was opened ten years ago.

According to Earle Brucker, Jr., manager of the track, the county Board of Supervisors, which recently reconsidered

San Diego State has picked off another top notch local high school basketball player it was announced Monday by Aztec coach Dick Davis. The Aztecs have been successful in their bid to land the county's leading scorer, Mike Honz of Helix High School. A 6-5 forward, Honz averaged 20.7 points a game and was also one of the leading rebounders with a 17.3 per game average. The addition of Honz brings to four the number of local frosh cagers the Aztecs have recruited this year.

## Walker Scott, Dodgers Sweep Games to Stay Tied For Lead

Walker Scott and the Dodgers used different methods but both proved successful and the two continue their battle for top spot in Lemon Grove Little League Major standings.

Walker Scott poured it on Mission Van and Storage in a two game sweep while the Dodgers had their hands full taking a pair from White Construction. Both winning teams possess identical 8-1 records.

Catcher Bobby Schneider unloaded a bases loaded triple to highlight a three inning barrage that saw Walker Scott pile up an 11-0 lead in the first game and then coast home 11-4.

Winning pitcher John Barrow walked only three, fanned eight and scored three runs as did Schneider. Mike Sperla collected two hits for Mission Storage.

In the afterpiece, Walker Scott started fast again and never let up in bowling over Mission by a 19-1 count. Home

runs by Schneider, Bill Bryant and Terry Bolin paced an assault that allowed lefty Bolin to breeze with a one hitter in his first mound appearance of the year.

The Dodgers kept pace but only after two good battles from White Construction. It took an extra inning and a towering home run by Jim Schroeder to provide a 3-2 margin in the opener.

Dodger Tom Bolin and White's Craig Simpson both left the hill after six innings with a 2-2 score on the boards. Butch Cushman won it in relief over Jack Marshall.

The Dodgers pounced on ace righthander John Young in the second fray and emerged with a 6-2 decision. Chris Flores struck out 11 and won it despite a homer by White Construction shortstop Robert Tiumalu. Tiumalu also smacked a single and double for a perfect three-for-three afternoon while Dodger Cushman aided his side with a single and double.

Food Basket extended its young win streak to three with a pair over Lemon Grove Lath and Plaster. Eleven hits, including four by Jim Daniels and three by Ron Truett, led Food Basket to a 14-1 nod in the first. Mark Jacobsmeier won it, doling out only four hits and whiffing 14.

The aftermath saw catcher Tom Parker blast two four-baggers to no avail as Food Basket prevailed 11-6. Nine runs in a big fourth inning iced it.

In the final series, Murphy Plumbing and Imperial Meats split with Murphy winning 2-1 and Imperial Meats reversing it 5-4.

Results of the meeting were not available as of press time. Brucker has hinted from time to time that legal action could be forthcoming to force a reopening of the track if it is closed down.

## Migets Win, But Drop Into First Place Tie

The Quota Club Migets, despite winning their only game of the week, dropped into a tie for first place with the Severin Realty Orioles in Lemon Grove Bobby Sox League action last week.

The Migets got doubles from Kathy Patterson and Debbie Sullivan enroute to their conquest of the Associated Engineers Swingers, 27-9. Maria Luna hit three doubles for the losers.

The Orioles, meanwhile, made good use of their two games, blasting the Skyline TV Gremlins, 22-15, and snuffing out a late rally for a 16-13 decision over the Lemon Grove Boosters Angelettes.

Maureen Macias was the big gun for the Orioles in their second game, blasting a three-run double in the sixth inning to put the team ahead, 16-11.

In the seventh frame, the Angelettes started a rally as the first four batters at the plate got hits, scoring a pair of runs. The rally was scrubbed moments later by a force at third, an unassisted putout at first base, and a popup to catcher Maureen Macias.

The Lions Club Lionettes, after being tied for second last week with the Orioles and the Gremlins, won one game this week to keep pace with the leaders. The Lionettes blasted the Swingers, 41-4.

The Gremlins, after the loss to the Orioles, won their only other two games of the week, but still dropped into fourth place, just percentage points behind the third place Lionettes.

The Gremlins pelted the Angelettes, 28-5, and did away with the Swingers, 17-2.

In minor league action, the Catholic Daughters Cherubs claimed first place by whipping the Nalco Plumbing Pipers, 12-4.

The Pipers won their only other game of the week, 12-8 over the IAM Local Lodge years.

Chuck Dicus, All-American wide receiver from the University of Arkansas, has signed to play for the San Diego Chargers, General Manager Harland Sware said.

Sware also announced four other rookie signings. The players are running back Eric Humston, a No. 15 draft choice from Muskingum College; and free agents, linebacker Mel Rogers from Florida A&M, defensive back Charles Sasser from Florida A&M and placekicker William DuPre from the University of South Carolina.

Dicus, 6-0, 175, was the No. 7 draft choice of San Diego. He was selected first team Coaches' All-American in 1969 and 1970. He set Arkansas career receiving records of 120 catches, 2,018 yards and 17 touchdowns.

No. 2215 Emeralds, while the Cherubs beat the LG Chrysler-Plymouth Crickets, 19-9, and dropped a 7-6 heartbreaker to the LG Beauty College/Thomas Disposal Stylists.

Due to a ruling on an earlier game that was protested, the Pipers now possess a 6-3 record rather than a 6-2 mark, setting them a game in back of the leading Cherubs.

The Stylists, meanwhile, were elevated to third place with a 5-3 mark because of the ruling. The Emeralds are in fourth place with a 4-4 record.

## Vanderhoort Named Rockets Head Trainer

The San Diego Rockets named Richard "Dick" Vanderhoort, 35, as their Trainer. Traveling Secretary for the 1971-72 National Basketball Association season.

Vanderhoort replaces Barry Wyloge who was recently called to active duty in the United States Navy.

Vanderhoort comes to the Rockets from Washington State U. where he has served as head trainer for the past 11 years.

## Chargers Sign Dicus, All-America Receiver

Charger receiver coach Jim Phillips said, "Dicus is an excellent prospect. He has a feel for moves like Gary Garrison. He's a winner type with an excellent background. I expect a lot from him."

Dicus, a native of Garland, Tex., plans to come to San Diego next week to start his bid for the position vacated last week by the trade of another Arkansas great, Lance Alworth. Dicus' competition will include veterans Walker Gillette and Rick Eber and rookie Billy Parks.

## Standings Get Second Shaking

The standings in the Spring Valley Bobby Sox League were jumbled for the second time in as many weeks last week when two of the teams tied for first place lost their only games, and the other two first-place teams split their games.

Spring Valley Woman's Club beat O'Dell Realty, 14-10 in a come-from-behind affair, but lost to the Optimists, 13-6, for a 4-2 record.

Norm's Gulf lost to Fosters Freeze/Thomas Disposal, 15-11, but came back to beat Galbreath Realty, 11-6, to claim a 4-2 record.

Galbreath and O'Dell were both tied for first in last week's standings, but after their losses drop into a tie for third place with idle Ham's Painting/Easter Plumbing, all with 3-2 marks.

Fosters/Thomas won their first two games of the year, beating Norms, and rapping Johnson Excavating, 33-16.

# 'Hair' Due For Four Weeks In San Diego

By Lynn Jones

Michael Butler's national production of "Hair," which has been dubbed as "the American Tribal Love-Rock Musical," will open a four week engagement in San Diego, starting Tuesday at the Civic Theatre.

The production was born in October of 1967 on the stage of Joseph Papp's off-Broadway theatre, where it played a limited engagement. It was then moved to the discotheque setting of Cheetah in January. Since then, "Hair" has grown to be one of the most successful international musical hits. In addition to the Broadway company's production, the musical has been on stages around the United States, as well as in England, France, Italy, Israel, Switzerland, Mexico, Australia, and other countries.

Ten cities in this country have supported the musical for extended engagements ranging upward to three years. Tickets for the production are available at the Civic Theatre box office at 3rd and B in San Diego. Highlander Men's stores, and Metro Ticket Agencies.

Reservations can be made by phone at 236-6510. Performances will be every evening except Sundays at 8:30 p.m., with matinees Wednesdays and Saturdays. A special matinee will be held Sunday, June 6. Before coming up with his new band, Spencer Davis was known for such hit singles as "I'm a Man," and "Gimme Some Loving." Davis plays rhythm guitar.

Rounding out the evening will be a performance by Starbuck, a combo from the Los Angeles area that recently completed a tour with the Everly Brothers. The group has also appeared with Joan Baez in a Hollywood Bowl concert, and is scheduled to appear on the new Smothers Brothers show this fall.

Johnny Cash and a group of country music entertainers that often accompany him will appear at 8 p.m. Sunday in the Sports Arena.

Glen Sherry, an ex-convict Cash met while recording his "Folsom Prison" album, will also be appearing Sunday. Sherry has two hit singles on country charts called "Greystone Chapel" and "A Portrait of My Woman."

Some of Cash's hits include "Don't Take Your Guns to Town," "A Boy Named Sue," "Ring of Fire," "I Walk the Line," and "Orange Blossom Special."

## Mt. Miguel Stage Play Scheduled

"The Diary of Anne Frank" will be presented by the Mt. Miguel High Drama Department June 1, 2, 3, and 4, in the cafeteria.

The plot of the play involves two families, who, because they are Jews, are forced to live in the attic of a warehouse in Holland during World War II. The problems of growing-up, ambition, and sorrows of these people during the two-year period before they were caught is developed in the play.

According to John Adams, drama teacher at Mt. Miguel, "The play is relevant to all people. I chose it because it is nice to see happy, optimistic people, who find good in whatever happens to them."

The main problem faced by the cast was the adapting of a set to the stage. Due to limited space, it was difficult to fit three or four rooms on one stage.

Finding costumes was another problem. Rehearsal time was limited to four days a week due to double sessions.

The cast of characters are Anne, Jill Dahl; Mrs. Frank, Jeanne Crosswhite; Margot, Carolyn Budd; Mrs. Van Daan, Barbara Crabb; Meep, Noel Christianson; Mr. Frank, David White; Mr. Van Daan, Ward McKay; Mr. Dussel, Mike Garcia; and Peter, Jim Broesch.

## CHP Issues Warning On Holiday Travel

Captain B. Killingsworth of the California Highway Patrol is urging drivers to drive defensively on the Memorial Day weekend, the first long weekend of the summer season.

He said the defensive driver has three distinctive characteristics: his attitude, his awareness, and his anticipation. The defensive driver is cool, calm and courteous in attitude; he is always alert to what is going on around him; and he expects mistakes from others and is prepared to cope with them.

He recommended particularly that travelers drive at a safe speed, no matter how anxious they may be to get away for the holiday or to return home Monday night.

Exceeding the safe speed — which at times may be lower than the posted speed limit — continues year after year to be the most frequent driver violation in fatal accidents, Capt. Killingsworth said.

Other traffic violations having significant effect upon the highway fatality toll include the following, he said:

- Failure to grant right of way to other vehicles or pedestrians.
- Driving on the wrong side of the road.
- Improper turning.
- Disregarding stop sign or signal.
- Driving while under the influence of alcohol.

"Most of these violations are related to a careless disregard for danger and represent a selfish flaunting of the law, in order to gain a few minutes' advantage," the official said. "Unfortunately, that advantage too often turns to a permanent disadvantage—and the loss of all the remaining minutes of an accident victim's life."

## Ward's Drop First Game

Montgomery Ward, fighting darkness and an upstart Big Bear Market, lost ground in the Spring Valley Pony League pennant race last week, but still managed to cling to first place.

Ward's took on lowly Golden Bowl in its first battle of the week, with the game called because of darkness with the score 0-0.

In its second game of the week, Ward's could foster only two hits as the team lost its first game of the year, a 5-0 decision to Big Bear Market. John Koval and John Ca-

voalas combined for the shut-out.

The week's action left Ward's with a 4-1 mark, a half-game better than Farmer's Center, which won two games to bring its record to 3-1.

Farmer's beat State Farm Insurance, 11-8, and knocked off Golden Bowl, 5-2. In the only other action of the week, Big Bear beat Golden Bowl, 10-7, and lost to State Farm Insurance, 5-3, to take over third place with a 3-2 record. Golden Bowl and State Farm are tied for fourth place with identical 1-4 marks.

## Sups Eye Raises For Themselves, County Employees

The County Board of Supervisors will take a very personal look at a personal matter soon.

They will decide whether or not they feel they are entitled to raises — if so, how much.

Supervisors Harry Scheidle and Jim Bear agreed that something ought to be done for the supervisors after the board was asked to approve pay increases to county employees.

A Civil Service Commission plan calls for a 5.9 per cent raise for about 7,800 of the county's 8,500 employees. The increase, if given, would cost about \$4.6 millions.

The board rejected a request to grant the increase without first holding a public hearing. The hearing will be tomorrow morning.

The board may wait a few weeks before changing their present \$16,000 salaries because of the controversy it generated last year.

But they'll have to look at salaries for other elected county officials and with raises being handed out to other elected officials in the county employ, it is not very likely that they'll pass themselves up. The others are the sheriff, district attorney, assessor, county clerk, treasurer, recorder and tax collector.
